RESPONSE TO RESTRICTION REQUIREMENT

In response to the communication mailed February 22, 2002 (hereinafter the "instant Action"), the Applicant respectfully requests reconsideration of the instant Action and withdrawal of the restriction requirement lodged against Claims 17-48.

REMARKS

In the instant Office Action, Claims 17 – 48 are listed as pending and Claims 17 – 48 are listed as subject to a restriction requirement.

The Examiner has alleges that the following groups of claims define patently distinct inventions:

- I. Claims 17-29, drawn to a first method of making polymer microspheres, classified in class 427, subclass 213.3;
- II. Claims 33-45, drawn to a second method of making polymer microspheres, classified in class 427, subclass 213.3; and
